

NECANICUM
WATERSHED COUNCIL

SALMON SAVERS

BUSINESS SUPPORTER PROGRAM

"The Necanicum Watershed Council is a community-based nonprofit organization dedicated to the wellbeing of all communities, both human and wildlife, that rely on the Necanicum Basin. We believe that through hands-on restoration, conservation education and community collaboration, there is an economically and ecologically equitable future for all life on the north coast of Oregon"

What does it take to be good stewards of our watershed?

TOGETHERNESS

There are some recipes that require a lot of ingredients, and habitat restoration is one of them, but the key to supporting our ecosystems for generations to come is partnership and collaboration.

By donating at one of the following supporting levels, you can show your community that an ecologically and economically sustainable future for the Necanicum Basin is a priority for your business.

STREAM | \$500

- **WEBSITE:** Company name, logo and link on our website
- **FACEBOOK/INSTAGRAM:** Quarterly posts highlighting your businesses contributions to habitat restoration and community engagement around conserving our river
- **E-NEWSLETTER:** Special recognition as a supporter of the Watershed Council in our quarterly electronic newsletter

MAINSTEM | \$1000

- **WEBSITE:** Company name, logo, link and quote on our website
- **FACEBOOK/INSTAGRAM:** Quarterly posts highlighting your businesses contributions to habitat restoration and community engagement around conserving our river
- **E-NEWSLETTER:** Special recognition as a supporter of the Watershed Council in our quarterly electronic newsletter
- **PRINT:** Recognition as a "Salmon Saver" supporter in our semi-annual print newsletter.

necanicumwatershed@gmail.com

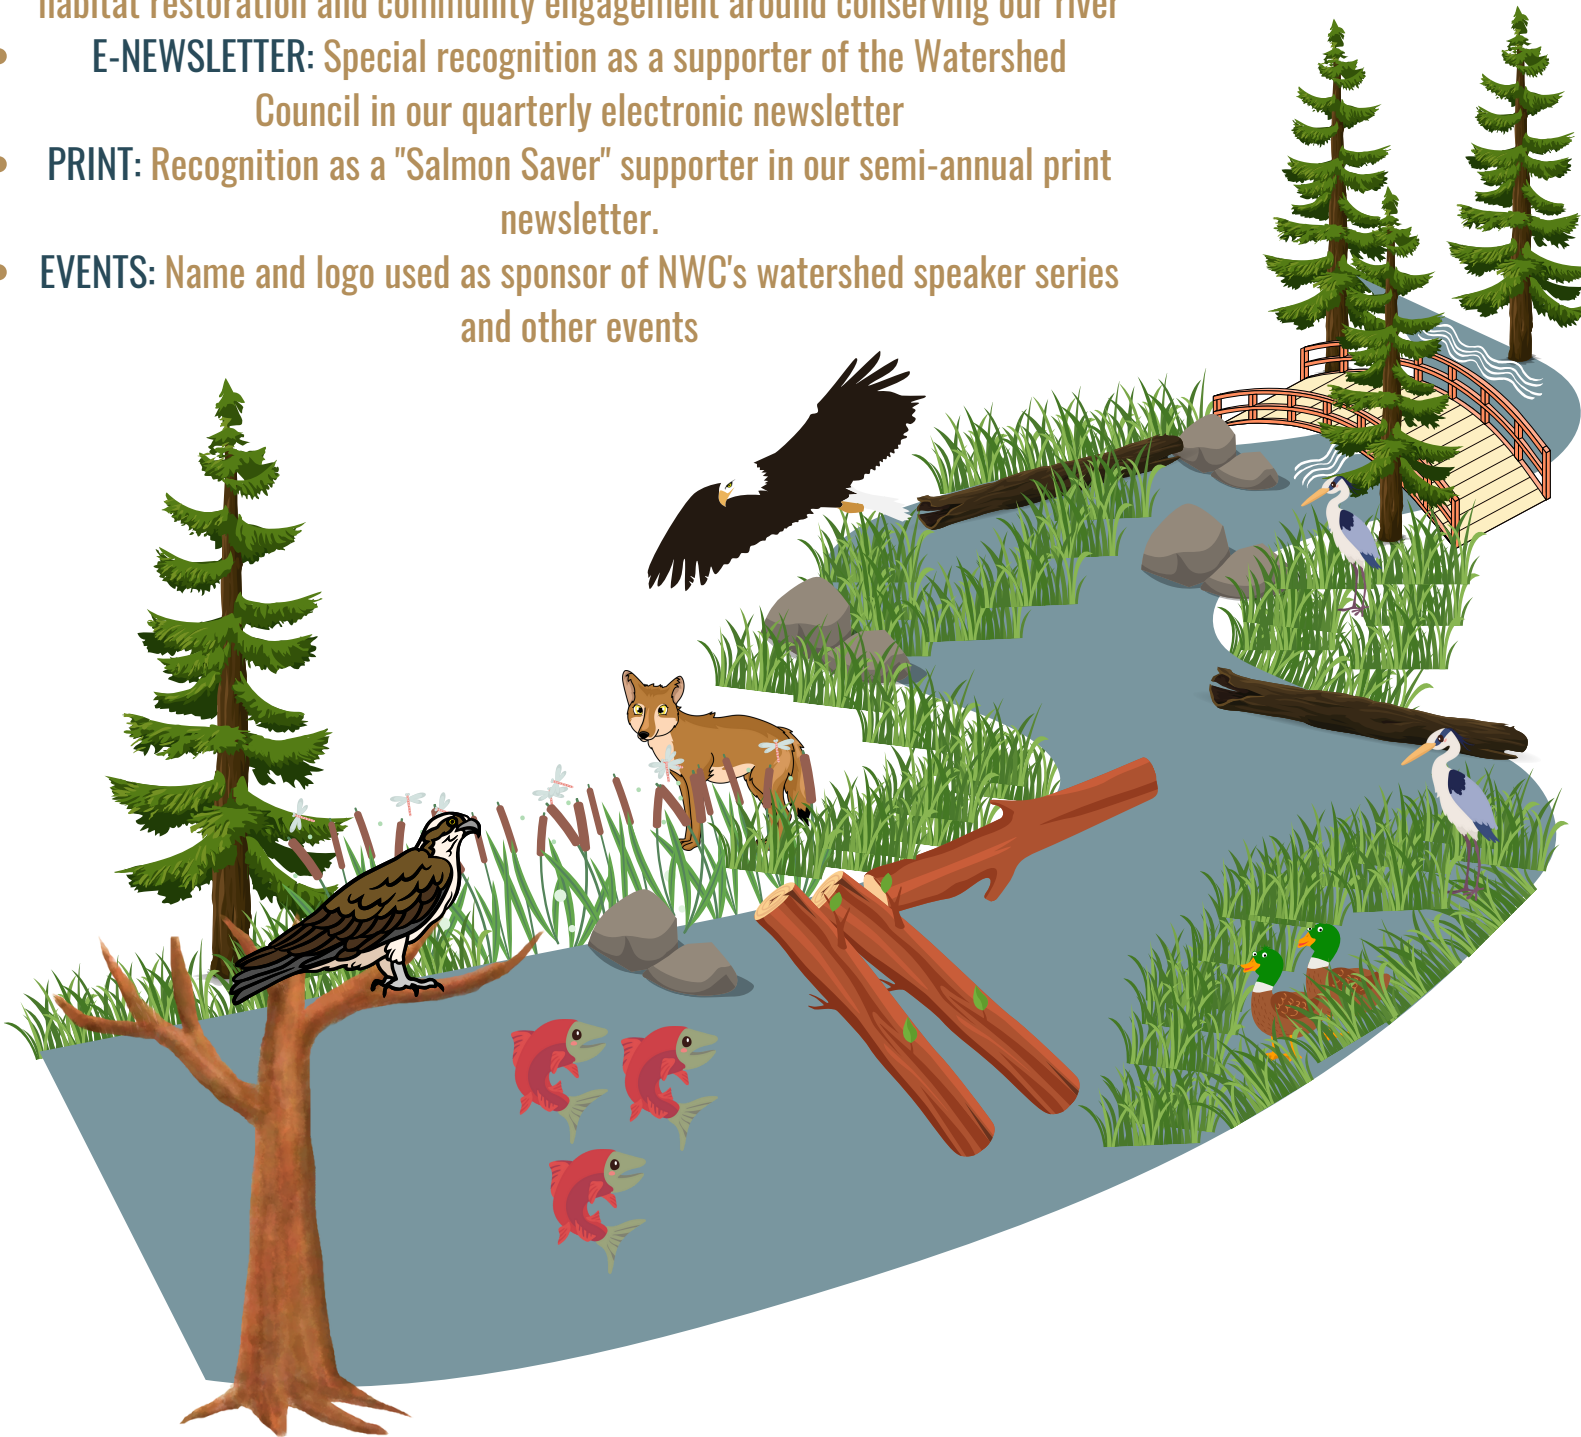

503.717.1458

PO Box 474, Seaside, OR 97138

ESTUARY | \$2000

- **WEBSITE:** Company name, logo, link and quote on our website
- **FACEBOOK/INSTAGRAM:** Quarterly posts highlighting your contributions to habitat restoration and community engagement around conserving our river
- **E-NEWSLETTER:** Special recognition as a supporter of the Watershed Council in our quarterly electronic newsletter
- **PRINT:** Recognition as a "Salmon Saver" supporter in our semi-annual print newsletter.
- **EVENTS:** Name and logo used as sponsor of NWC's watershed speaker series and other events

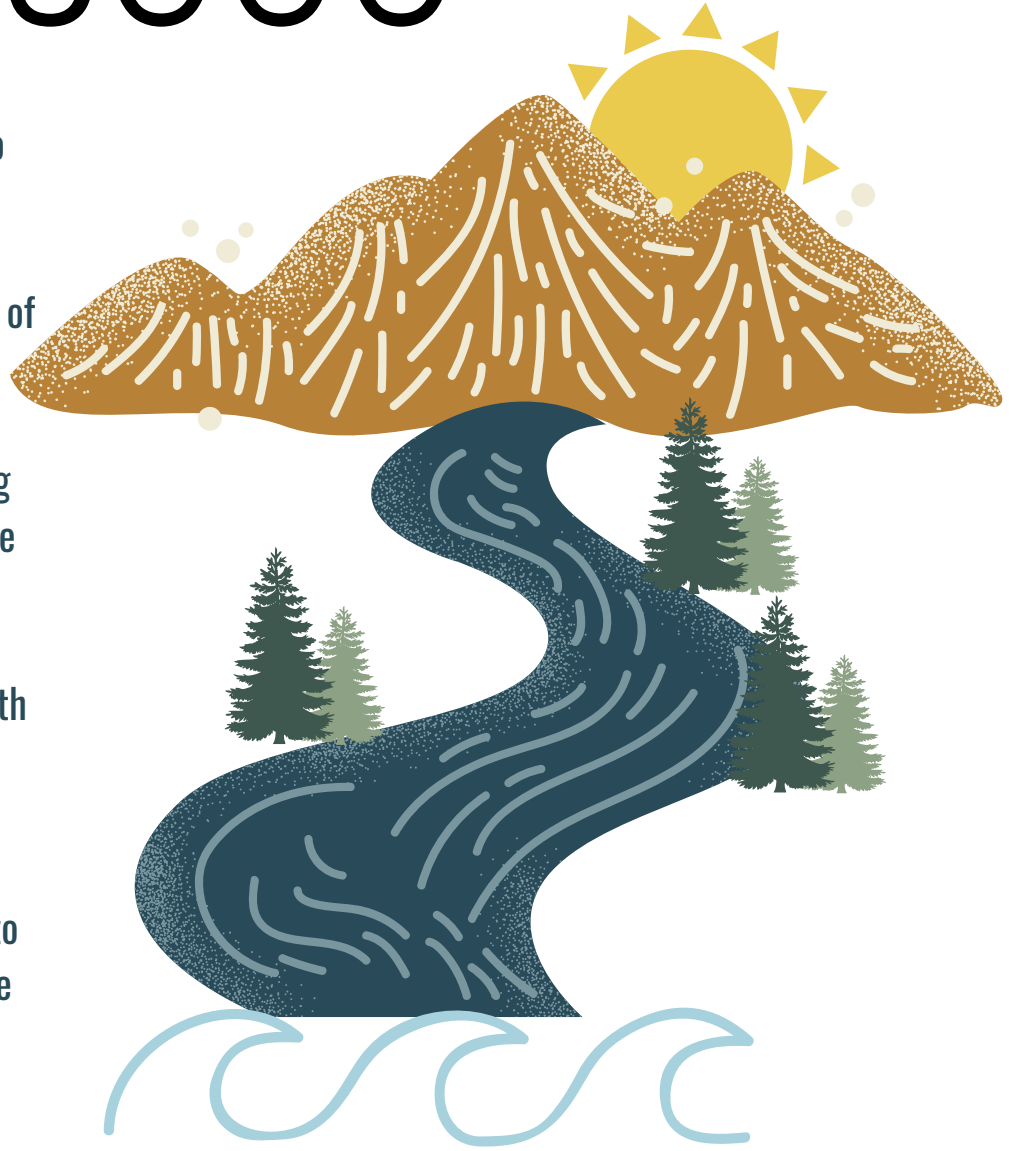

PEAK TO SEA |

\$5000+

As a **Peak to Sea** donor, you support your watershed from the headwaters to its outflow into the Pacific Ocean. Your dollars support habitat restoration and community outreach along the entirety of the Necanicum River. Like the salmon migration itself, your support follows a journey of ocean to mountain, capturing the essence of the north coast along the way.

Our **Peak to Sea** donors provide us with an opportunity for growth, and are rewarded by being noticed as our River Guardians on our website, social media and newsletters. You may also choose to have your business sponsor one of three events (see right) to sponsor for the whole year. In addition, **Peak to Sea** donors have a unique opportunity to partake in an annual private restoration party where you and your team can get a project tour and help out with a planting or invasive species removal day as a form of team building or regeneration.

- NWC Beach Cleanups (3-4 per year)
- Cans for Coho (NWC's Can and Bottle Recycling Program)
- NWC's Earth Day Oregon events (3 days each April)

Community. Collaboration. Conservation.

LOOKING FOR OTHER WAYS TO GIVE EVEN AFTER YOU'VE BECOME A BUSINESS SUPPORTER?

Wish List: equipment (vehicles, restoration equipment, etc.)

Product/Proceeds: donate the proceeds (or a percentage of) from a specific product or event

YOUR BUSINESS SUPPORT IS TAX DEDUCTIBLE!

Join us today by committing to restoring, enhancing and conserving the habitats that make the Necanicum Basin special.

"Building an ecologically and economically sustainable future for all life in the Necanicum Basin"
