

OPEN DOOR POLICY

The Council operates as an open and inclusive organization. Regular meetings are open to the public (unless the board decides otherwise, for an executive session when discussions and decisions around personnel may take place). Notice of meetings and agendas are distributed to members via email (or other requested method) at least 3 days prior to any meeting, and published on the Council's website, along with all regular meeting minutes. Meeting announcements are also made in the Daily Astorian. Minutes and agendas can be requested from the Council at any time.

The following is a list of the geographic areas and community interests the council intends to include on its governing body in order to engage a balance of interested and affected persons within the watershed pursuant to ORS 541.910(2). Members of the governing body may represent more than one interest.
